

Reference for Ethan Currin

It is with great pleasure that I provide this reference for Ethan Currin, whose contribution to Apperley Cricket Club during his time with us was nothing short of exemplary.

From an all-round cricketing perspective, Ethan's ability stood out immediately. His performances with both bat and ball were consistently outstanding, and his presence on the field elevated the standard of those around him. Quite simply, without Ethan's contributions, we would not have won the league. His impact was pivotal.

Ethan is the epitome of a team player. He understands the dynamics required for a successful side and always puts the team's needs ahead of his own. Whether it was stepping up in pressure moments or supporting others off the field, Ethan's selflessness and maturity were evident throughout.

Off the pitch, Ethan was a pleasure to host. He was polite, well-mannered, and respectful, a reflection of the excellent parenting and upbringing he has clearly had. He kept the accommodation clean and tidy, and was a positive influence in every environment he was part of.

Ethan also volunteered with our youth section, where he inspired the next generation of cricketers. His passion for coaching was clear, and the energy and enthusiasm he brought to the sessions made a lasting impression on the kids and their parents alike.

Overall, Ethan has had a profound and positive effect on our club, both on and off the field. We would welcome him back with open arms next season and at any time, and I have no doubt he will be a valuable asset for any club he is involved in.
